RESPONSIBILITY AND LIABILITY

1. goEUgo acts only as an agent for services arranged by airlines, hotels, transportation providers, or other travel agencies. For participants of the itinerary or customers listed in the brochure, goEUgo and its agents are not responsible and will not be held liable for any financial losses, accidental death, or additional expenses caused by natural disasters, man-made disasters, mechanical failure, transportation delays, fire, strikes, wars, political instability, uncontrollable factors, or changes in government regulations.
2. The transportation providers and hotels used by goEUgo (such as airplanes, ships, trains, or business vans) have their own safety and liability regulations regarding passenger safety and lost luggage. In cases of lost luggage, accidents, or property loss, the rules set by those organizations will be the basis for resolution, and goEUgo will not be responsible or liable in any way.
3. In special circumstances – such as severe weather, strikes, typhoon impacts, lost documents, full hotel capacity, flight cancellations or delays, political unrest, epidemics, or other sudden uncontrollable events requiring changes or cancellations to the itinerary, accommodations, or transportation – goEUgo reserves the right to make decisions based on the situation. In such cases, participants are not entitled to object or claim compensation. Any losses or additional expenses incurred must be borne by the participants themselves.
4. All tour participants must abide by the laws of the countries they visit. Carrying contraband or prohibited goods is strictly forbidden. Entry and exit regulations are determined by the respective countries. If a participant is refused entry to a country due to personal reasons, the responsibility lies solely with them, and goEUgo will not be held liable. No refund will be given for the remaining part of the trip, and any additional costs (such as transportation or accommodation) must be paid by the individual.
5. Participants are wholly responsible for safeguarding their personal belongings during the tour. The goEUgo driver-guide cannot be held liable, nor can they be asked to compensate for personal belongings that are lost or stolen during the tour.
6. If a participant misses their scheduled flight or business van departure for any reason, goEUgo will not be responsible and will not refund any fees or costs incurred.
7. Because the business van models are not always equipped to carry wheelchairs, goEUgo regrettably cannot accept participants who require wheelchairs for group tours.
8. goEUgo reserves all copyrights to use and reuse images and videos taken during tours. If a participant objects, they must inform the driver-guide in advance.
9. **Important Note:** If a passenger accidentally or maliciously damages the business van or any facilities within the hotel area during the journey, they must assume full responsibility and compensate for all related losses. For serious damages, passengers may face local criminal liability. Please ensure passengers take good care of public property to enjoy a smooth journey.

TOUR RULES

1. The driver-guide will proactively participants before 21:00 (EU local time) the day before departure. If participants cannot be reached, they should call the driver-guide's contact number listed on the **TOUR VOUCHER**.
2. Each participant is allowed to bring one large and one small piece of luggage on board. The large luggage must weigh less than 30kg and be no larger than 28 inches; the carry-on/small luggage must be no larger than 20 inches. If a passenger brings more than the allowed amount (subject to available storage space), each additional piece of luggage will be charged €5/day (£5/day for the Purple Line). Storage space for extra luggage cannot be guaranteed.
3. Most attraction points in Europe cannot be reached directly by business van and require participants to travel on foot. If a participant has limited mobility, this tour may not be suitable for them. goEUgo cannot offer compensation or refunds for missed attractions; therefore, suitability should be carefully considered before booking. Completing the booking implies full acceptance of the terms and conditions set by the tour operator.
4. Driver-guides are the hosts during the tour. They will help participants explore and make the most of their time. Their passion for travel and local knowledge will enrich the holiday experience. Gratuity is paid directly to the driver-guide when the tour concludes. An obligatory tip of € 10 / £ 10 per passenger per day has been established for the tour. Please prepare cash as a token of appreciation.
5. Participants must present their Tour Voucher (printed or digital) to the driver-guide upon boarding the coach. goEUgo cannot allow delays by a single passenger or group. A participant's negligence or late arrival can result in missed connections for other passengers. In case of emergencies, please call the emergency number printed on the **TOUR VOUCHER**.
6. Participants are responsible for carrying valid travel documents (passports) and visas, with a validity period of no less than six months from the departure date. goEUgo will not be held liable if entry is refused by immigration or customs. All losses incurred will be the sole responsibility of the participant, and no refund of the tour fees will be provided.
7. Participants should avoid bringing valuables and precious jewellery. All valuable personal belongings, including passports and money, must be kept with the participant at all times. The tour company, the driver-guide will not be responsible for any losses incurred.
8. All tour participants must abide by the laws of the countries they visit. It is strictly prohibited to carry contraband or illegal goods for profit. Smoking is strictly forbidden in all public spaces and indoor areas across Europe – including hotel rooms – with fines reaching up to thousands of euros. We kindly remind participants to comply with these regulations. In recent years, some well-known European landmarks (tourist sites) have prohibited visitors from sitting on the ground to rest or eat. This is considered disrespectful and may result in immediate fines.
9. Meals and attraction tickets during the tour are at the participants' own expense; please refer to the Optional List for estimated costs. Ticket prices listed in the handbook and promotional materials are for reference only. goEUgo cannot guarantee that prices are updated in real time; the official prices published on each attraction's official website shall prevail. Participants should bring an appropriate amount of local currency and any required personal medications during the trip.
10. If a participant wishes to depart on their own, return separately, or leave the group midway through the tour for personal reasons, our company will certainly assist with the arrangements. However, our company will not be held responsible for any indirect or direct financial losses due to transportation delays or any other issues that prevent the participant from meeting the pre-arranged itinerary or accommodation.
11. If any participant deliberately obstructs the driver-guide's work, endangers the safety of others, or negatively impacts the group's activities and interests, the driver-guide has the right – based on the specific situation or with the approval of the majority of participants – to revoke that individual's right to continue the tour. The participant will be ordered to leave the group, and no refund will be provided for the unfinished portion of the trip. After leaving the group, all actions taken by the participant are entirely their own responsibility, and goEUgo will bear no further responsibility.
12. If the departure time of a flight or business van is delayed due to mechanical failure or traffic congestion, resulting in changes to the itinerary or the cancellation of activities, participants may not object or withdraw from the tour. In cases of severe weather, strikes, or unexpected incidents that cause itinerary delays, participants may not demand compensation or a refund of the tour fees.
13. The tour itinerary is for reference purposes only. goEUgo will make appropriate adjustments to the tour schedule and accommodation based on actual conditions. This may include the possibility of cancellations due to site closures for holidays or local festivals. Participants are expected to accept these changes without objection.
14. The driver-guide's working hours are limited to 10 hours per day. If working hours are extended due to guest delays, changes to stop/drop-off points, or similar reasons, an overtime fee of €80 / £ 80 per hour will apply.
15. The transportation providers and hotels used by goEUgo (such as airplanes, ships, trains, or business vans) have their own safety and liability regulations regarding passenger safety and lost luggage. In cases of lost luggage, accidents, or property loss, the rules set by those organisations will be the basis for resolution, and goEUgo will not be responsible or liable in any way.

16. The purchase of European travel insurance is strongly recommended. Please ensure that participants are sufficiently covered for the entire trip.
17. Because the business van models are not always equipped to carry wheelchairs, goEUgo regrettably cannot accept participants who require wheelchairs for group tours.
18. The temperature difference between day and night in Europe is substantial. The annual average temperature exceeds 30 degrees Celsius in less than two months, and European countries maintain strong environmental protection awareness. Therefore, hotels in Europe may not be equipped with standard air conditioning.
19. goEUgo reserves all copyright to use and reuse images and videos taken during tours. If you don't want to be filmed, please avoid the camera voluntarily.
20. In the event of low tour participation, goEUgo reserves the right to combine passengers speaking different languages in the same business van.
21. If a participant returns late during the tour and misses the business van under any circumstances, goEUgo will not be responsible and no fees will be refunded.
22. Pets are not allowed on the tour due to potential participant allergies and hotel restrictions. Participants must make alternative arrangements for pets prior to the tour. Thank you for your understanding.
23. The attractions, visiting sequence, and duration of stays listed in the itinerary are for reference only. Actual arrangements are subject to adjustment based on attraction opening hours, traffic conditions, weather, travel time, hotel location, and other unforeseen factors. No compensation or refund will be provided if specific attractions cannot be visited due to the aforementioned reasons.
